

What we do

Motivated by Christian charity, Care Net Pregnancy Services of Northern Kentucky provides mentoring and support throughout and beyond pregnancy and helps clients access community resources needed to raise a family. Care Net empowers parents not only to choose life but also to build healthy families.

Why we do it

Care Net is a Christ-centered organization existing to educate, support and empower people before, during and after an unplanned pregnancy, while uplifting the sanctity of human life.

How we do it

Women and men in crisis come to one of our three centers seeking information, guidance and assistance. We respond with such services as:

- Medical grade pregnancy testing
- Same day ultrasound confirmation of pregnancy
- Testing and treatment of sexually transmitted infections
- Material assistance
- Parenting, relationship and life skills classes
- One-to-one mentoring for women and men

My mentor has been so helpful for me . . . helping me learn how to be a better father and man.

Our 2023 Annual Banquet drew nearly 800 guests.

Annual Banquet • May 9, 2024

The annual banquet draws a full house—and then some! It's our largest and most important fundraiser of the year, critical to funding medical and support staff and operating budgets for our three centers. The banquet's success is made possible only by generous sponsors who cover the cost of the event so donations by our guests go directly to funding our ministry.
