Your partnership builds
strong families
and strong Northern
Kentucky communities.

2026 SPONSORSHIP OPPORTUNITIES
CARE NET PREGNANCY SERVICES OF NORTHERN KENTUCKY

Healthy families build healthy communities.

Care Net Pregnancy Services of Northern Kentucky offers hope, compassion, honesty and practical guidance to women and couples facing pregnancy, often when their finances are shaky and they have nowhere else to turn.

Through life-affirming medical services, education, community referrals and collaboration with other healthcare agencies, our trained staff and 100-plus volunteers give young parents the knowledge to build healthy families. With that support, clients can gain confidence to finish their education and become motivated members of the local workforce.

Education for Life's Challenges

Care Net's trained volunteer mentors guide clients through 40 educational programs covering:

- ♥ Parenting from preborn to adolescence, including safety, discipline, development, communication, single parenting, blended families and more
- ♥ The unique role and value of fathers
- ♥ Building healthy relationships and avoiding abuse and domestic violence
- ♥ Life skills such as budgeting

Partnering with Care Net builds a stronger Northern Kentucky.

Our Medical Services

At our three centers, in Boone, Campbell and Grant counties, Maternal-Fetal Medicine Specialist Deward Voss, MD, supervises our ultrasound program and Olivia Kuper, MD, oversees our sexual health services. We offer:

- ♥ Lab quality pregnancy testing
- ♥ Limited obstetric ultrasounds by nurses trained in sonography
- ♥ Limited testing and treatment of sexually transmitted infections

Proactive Healthcare Collaboration

- ♥ Our medical staff works with **St. Elizabeth Healthcare** to analyze tests for sexually transmitted infections.
- ♥ The **Northern Kentucky Health Department** mobile unit visits our Cold Spring center near NKU. Patients are tested for HIV and Hepatitis C—both at epidemic levels locally—and receive mental health and substance abuse evaluations.

Such treatment addresses patients' own health and—critically—ensures their babies aren't infected.

Partner with us as a corporate sponsor.

Care Net is donor supported; we receive no state or federal funding. All services are provided to clients at no cost. **Sponsorship of these 2026 fundraising events is critical to our budgets and our future.** Call us at (859) 431-9178 to get started.

Annual Banquet • May 7

Our annual banquet is our largest and most important fundraiser of the year. The banquet succeeds only because generous sponsors cover event expenses so donations from our nearly 800 guests go directly to funding our ministry.

Golf "Fore" Fathers • August 14

The annual golf outing supports our Fatherhood program and 39 other parenting education courses. The event sells out early and includes 18 holes with carts, lunch, dinner, drinks, raffles and prizes—all available for your sponsorship. Some levels include foursomes to enjoy yourself or gift to your clients.
